How the results were determined:

Team results were based on the best 3 times combined for each race.  
The team with the best combined time received 7 Win points and 0 Loss points for each race.  
The team with the slowest combined time received 0 Win and 7 Loss points for each race.  
The best Win/Loss points is the League Champion  
In case of a tie the team with the lowest cumulative total time for all races is the winner.  
If a team has fewer than 3 racers start or finish a race a dummy time(s) of 10 min. will be added to the results of the racers who did finish.
