Batavia Notre Dame Boys Basketball revisited:

Mike Rappone AD presented- 2 players left ND and went back to Elba HS. 2 players came in- one from Batavia (only ranked 18 out of 30 players in his league last year in scoring/bottom 50 percent; he is used to man to man defense and we play zone; what team chemistry. Applied during his junior year but was not allowed in that late in the school year; alumnus student plus 12 other relatives) and the other from Cal-Mum (joined the JV summer league...might be a 6,7,8 man in hoops). Post man is the weakest position right now. With graduation and transfers, they have lost 5 out of 9 top players from last year. Summer league; JV's were not very good. Presented letters of prior students trying to enroll in Batavia ND and how they were not allowed into the school. They have won 1 title in 10 years. Informally asked chair person and another coach about the athletes impact on the team...both responded not much.

Discussion: wanted to know why they accepted senior transfers – alumnus students are very hard to turn down Applied late last year-denied. Both athletes were not happy with coaches/administration of other school.

2 returners are 1<sup>st</sup> and 2<sup>nd</sup> team All State players. How big is the transfer from Batavia? (6'2").  
1 title in 10 years...small schools and big schools alike can go in cycles.  
Discussion surrounding C1, C2, C3 Classification for boys basketball...strength of teams involved.

Motion made by Mike Bromley to move to B1. 2<sup>nd</sup> Rich Calkins  
**Motion failed 1-9 (Rich did not have all the discussion details when he 2<sup>nd</sup>-changed)**

Motion made by Brian Moran to move to C1. 2<sup>nd</sup> by Rich Roche  
**Motion passed 6-4**

**Next Meeting: Tuesday, November 13, 2012 @ 12pm- Polimino's in
