Mike Rapone represented information on girlsbasketball.

Committee already moved them to C3 Revisiting after another transfer entered the school

Presented schedule from last year.

Presented Rebecca Krenzer's enrollment at Pavilion/very good basketball player/good athlete

Didn't feel it warranted an additional move up because of the one player....perhaps next year he figured. 6'1 center/forward

4 out 5 returning from last year's state champion squad.

He claims he has a good nucleus with JV squad but feels some won't even come out for the squad next year.

Chairperson-Thought with addition of new player, should move to B

Rod Verkey motion to move to B2 original C3. 2nd- Joe Sposato

Motion carried 6-3

Now is Division B2

HAC Girls Basketball

Requested to play up based on previous success. Want to move from D1 to C3

Motion to grant request Phil Merril. 2nd Joe Sposato

Motion carried: 10-0

HAC girls basketball is moved to C3

AQ Boys Basketball revisited

Anthony Bianchi AQ AD requested committee to revisit boys basketball placement of team.

Best player (Ron Allen- Div 1 prospect) left AQ...Lost in regionals to McKinley by 30 points. Split with Charlotte during the year.

Down 15 points in sectionals and pulled it out.

They won the A's last year. 3 returners (2 guards and forward) (avg. 10/10/5 pts. per game)

No height but athletic according to Mr. Bianchi.

JV's just around 500 record, play tough schedule.

Varsity schedule- Hornell, Charlotte, No Monroe County Schools (won't play him)

Chairmen thought they should stay in AA

Discussion: some thought a contradiction if we moved 1 up based on a transfer and we don't move down based on someone leaving.

Some believe the depth and athleticism balances this team out to compete in the AA bracket.

Motion made by Mike Rapone to move down from AA to A. 2nd- Rod Verkey

1-8-1(abstained) Motion Failed: AQ Boys Basketball remains in AA Classification

New Business:

Brian Moran is stepping down from chair of committee.

Nominations to replace: Tom Schmandt (Pal-Mac), Mike Bromley (Batavia)
