

SECTION V
DUAL PARTICIPATION POLICY

According to the NYSPHSAA Handbook, participation by a student in more than one sport in the same time division (season) shall be determined by the Section V Athletic Council.

This citation is found under Sport Standard #25 found on page 102 of the NYSPHSAA Handbook.

There will be no dual participation in Section V except for specifically approved cases. These cases will be adjudged on an individual case basis. For example, a fall golf league player who qualifies for the spring sectional golf tournament, will be allowed to compete in the golf sectional while participating in another spring sport for his/her school. All regulations for both sports must be adhered to.
